Little Rebels Drop Two Games

The Appomattox High School Little Rebels team found the going rough last week as they lost two games. V. E. S. topped the Rebels last Wednesday 40-0 and William Campbell came back on Thursday to eke out 12-0.

The "Little Rebels" playing their first game of the season against V. E. S. to be rather tough. The Bishops were bigger and more experienced and showed this very plainly in their 0-0 conquest.

Then on Thursday, the "Older" Jayvees found William Campbell to be just as rough. The fine defensive play by the boys from Naruna kept the Rebel offensive completely stymied thru out the contest, as they got only 3 first downs all day. William Campbell broke open the score-less game in the second quarter and came back to add their final 6 points late in the fourth quarter to take a 12-0 decision.

The "Baby Rebels" continue their play this Saturday night against Altavista Jayvees at the Appomattox High School football field at 7:30.

Supervisors Hear Sanitarian Report

County Sanitarian G. A. Pitzenberger, speaking to the County Supervisors on Wednesday Oct. 10, paid tribute to all the volunteers who contributed to the successful TB Clinic. He reported more than 1800 x-rays made in this county during the Mobile Clinic's recent stay here.

Regulations Explained

Mr. Pitzenberger explained to the supervisors the latest in state - wide sewage regulations, as set up by the State Health Department.

As of this date, any home builder in the county will have to connect both kitchen and laundry waste water pipes to his septic tank or other similar installation, he said.

This new regulation is not retroactive but does cover any new construction now going on and in the future. Heretofor, some individuals have had outside pipes for kitchen and laundry waste, but when they install new septic tanks or make any changes in present arrangements, the new regulations are in effect.

Sewage is now defined, he said as human excrement from residences or buildings along with kitchen and laundry wastes.

A septic tank drain - field or pit privy or any other source to haul the Bees drive. With little tim- remaining, Whitehead took of contamination such as a barnyard or cemetery must be more than 100 feet from any water supply, he added.

Thus, if a man digs a well, no one can even his neighbor can construct a drain-field within a minimum of 100 feet of this water supply.

Pitzenberger also warned of contamination in hill site drainage where distance between water supply and drainfield must be increased.

He offered his services to all citizens with regard to these regulations. He stated that he will be glad to assist in helping a builder select a well site, or to offer advice in other matters affecting individual and public health.

Supervisor Hurt In Auto Accident

County Supervisor O. W. Martin, Jr., from the Stonewall District was seriously injured in a two - car automobile collision Mon., Oct. 15. He sustained a fractured leg and possible hip dislocation, according to a report from Robinson's Ambulance Service which assisted in taking him to Lynchburg General Hospital.

Two occupants of the other car were treated locally for minor injuries.

Joan Lucado, Rt. 3. Appomattox, and a 4-H member reports that "two blues and a pink" came in the mail recently. These are ribbons, two first place and a fourth, for her prize - winning poultry entered in the State Fair.

Joan was a top ribbon winner at the Five County Fair, also.

Brookville Hands Rebels Their First Conference Loss 14-12

Brookville's Kenny Charlton reeled off touchdown runs of 47 and 39 yards, Friday night but it was the extra points of fullback Mike Mallow that gave the Appomattox High School Rebels their first conference defeat of the year by the narrow margin of 14-12.

Brookville stormed into the lead in the first quarter. The Bees took over the ball on their own 35 yd line and five plays later Kenny Charlton broke loose from his own 47 yard line and scampered into pay dirt. Mike Mallow cracked over left guard for the all important extra point. The first quarter ended with a score of 7-0.

For the remainder of the first half both teams continued to penetrate into each others territory, but neither gained momentum enough to score.

The second half began explosively. The Rebels kicked off and Charlton hauled it in on his own. He cut of to his left and raced 39 yard for Brooksville's 23 point of the night. Mallow added the extra point this time banging right up the middle.

With Jimmy Torrence injured on the third play of the third quarter, James Whitehead took over and in the final stanza tossed 30 yards to Dickie Smith for the Rebels first 6 points of the night. The attempt for the extra point failed.

Brookville stormed right back, driving to the Rebels 4 yard line, but a bad pass from center was recovered by Wayne Phelps to halt the Bees drive. With little

On the fourth and goal to go line Smith with a pass that went for 64 yards and the Rebels second touchdown of the night. The pass for the extra point failed.
